

Enriching Jewish Life in Wellington

A new way to join the community

Become a WJCC Supporter

The Wellington Jewish Community Centre (WJCC) is excited to welcome people to apply to join us as WJCC Supporters. This new category of membership is open to anyone who feels a connection to our community and/or who wants to be involved in the cultural, social, and educational services we provide.

Who can become a Supporter?

Anyone who feels a connection to the Jewish Community is invited to apply to become a Supporter. All that is required is to be nominated by a WJCC Member.

What are the benefits of becoming a Supporter?

Supporters are invited to all cultural, religious and social events, including services, festivals, education programmes and newsletters. Families who are supporters can send their children to the WJCC Orot programme. Supporters are seen as an integral part of the WJCC and can help us grow to meet the needs of the community.

What's not included as a Supporter?

Supporters cannot vote at WJCC AGMs and are not eligible for kosher shop meat discounts. A few extra offerings, such as the Mikveh, are also paid for separately.

To apply you need to be nominated by an existing WJCC member. Simply fill in an application form at www.wjcc.org.nz or email office@wjcc.org.nz.
